*His films include "Men of Honor," "Radio," "American Gangster," and the upcoming "Red Tails." He won an Oscar for his performance in "Jerry Maguire."*

To my men and women warriors who put their lives on the line everyday so that our glorious nation stays free and true I say simply, thank you! Not just for what you've sacrificed for our nation but also for what you've done so that our freedom as Americans is properly represented to the rest of the world.

Every day is glorious when I can give my children, Spencer, Mason, and Piper the assurance that their future as free Americans is safe when being fought for by men and women who represent the best sense of what this country stands for. And I am proud to stand as a witness to the dedication, courage, and above all HONOR you all bring to us here at home.

My love and respect to you always and in all things,  
Cuba Gooding Jr.
