

Kevin Sorbo

*Known around the world as **Hercules**, Kevin Sorbo also played Captain Dylan Hunt on the popular series "**Andromeda**."*

A big shout out to all you guys and gals who are keeping America free. Not everyone in Hollywood is an idiot. Granted most of them are. But there is a group of us actors that appreciate all you have done and are doing to keep America safe. Mere words cannot describe the amount of praise I have for each and every one of you. I cannot imagine what you have to go through on a day-to-day basis, but have heard many stories from my kid brother who served 21 years in the Army. Lt. Col. Scott Sorbo. He retired a few years ago, but I am so proud of his service to his country.

I may have played Hercules on TV, but play is the key word. For those of you who are fans, I appreciate it. And I hope my silly little shows give you an hour of escape from the real world. But know that I am no hero. You are. Each and every one of you. God bless you all. My prayers are with you everyday. Please kick the asses of those whack jobs over there and come home safe. I will be over to visit sometime in 2010. Looking forward to meeting you.

My highest regards,

Kevin Sorbo
