Hello Troops,

It's been my very good fortune to meet so many of you, the men and women in uniform serving our country. I've seen first hand the great work you do all around the world under dangerous and often very challenging conditions. We enjoy a great standard of living in America with freedoms unparalleled anywhere else. And it's all because of the sacrifices and service of you and your families. Thanks isn't enough ... but it's the right place to start!

God Bless you and keep you safe.
