To The Troops:

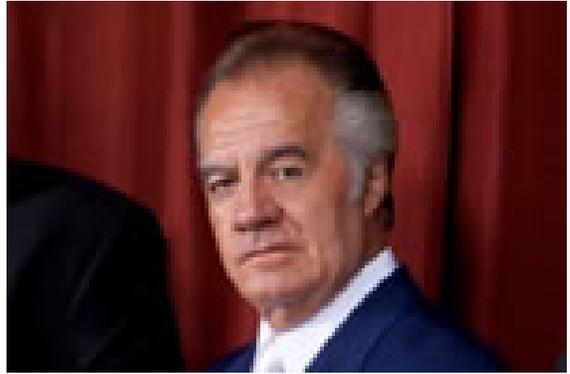

I am writing this letter to let all you servicemen and women in our Armed Forces know that I, among millions of other Americans, are very proud of your service to our country. I myself am a volunteer with Wounded Warrior Project, which provides employment and year-round sports programs and support for those of you seriously wounded. I've been involved with WWP since 2004 after going to Iraq with Jim Gandolfini and witnessing what you proud patriots do for God and your country.

And I thought I was a tough guy?!?! Fughedaboutit!

I'm so proud of all you men and women who have put your butts on the line, time after time, tour after tour to protect our freedom and our way of life. And to those of you patriots who were wounded in those actions, I speak for the whole country when I say we are very proud of you, we love you and God Bless all of you.

Signed,

Tony Sirico
