To our Troops:

Growing up, the image I had of what it meant to be a man was gleaned from stories my grandfather

would tell me about his time in the service during World War II. He was an artillery sergeant in

the tank corps and fought in North Africa, Sicily, and Italy. T. E. Fielding was an Englishman, and

when England was attacked he immediately joined the army. He finished his service a highly

decorated veteran who fought overseas from 1939 thru 46. He always told us, "He is great who stands

for his country and defends its rights and freedoms." T.E. Fielding was the greatest man I've ever

known!

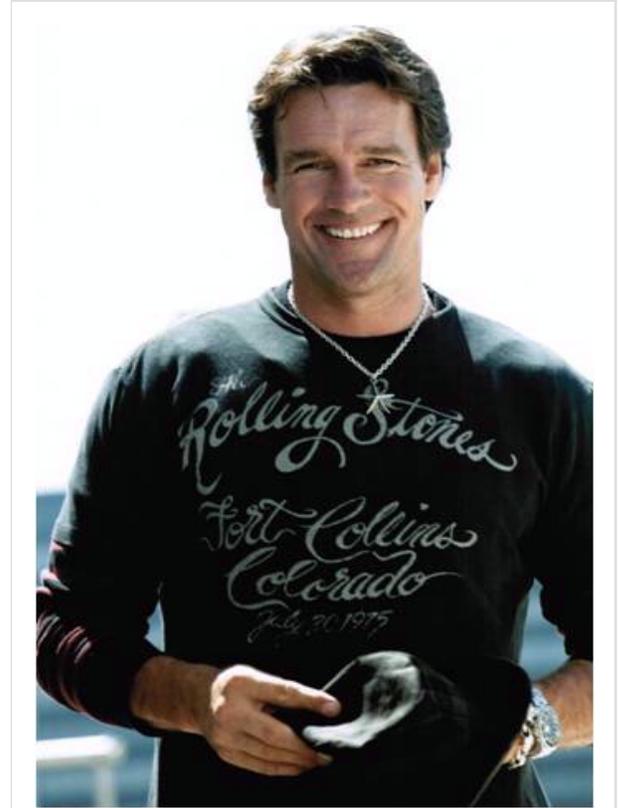

Myself, my wife Nanci and our children, Stephanie and Wyatt, want to thank you, the men and women

of of armed forces for your courage, your sacrifice, and your dedication to America. You make us

great, you make us proud. May God speed your mission and bring you home safe!

Sincerely

David James Elliott
