### **To all of our loyal service members serving around the world:**

It is a great honor to work with our Nation's Healing Heroes on a daily basis. I cannot tell you how much I appreciate all that you do to provide freedom around the world. It can

be easy sometimes to take freedom for granted, but when you see the cost of war, you quickly realize the high price of the effort.

Many of you have sacrificed much to serve our country and we do not take that for granted. Many of you have had multiple deployments to Iraq and Afghanistan. We know it takes a tremendous toll on you and your family.

Please know that all of us at Ride 2 Recovery are here to support and honor your service. You make our country proud; you make us all proud to be fellow Americans.

Thank You for Your Service,

Regards,

John Wordin
